

What if our love

## Fill in the gaps

Shadows fill an empty heart		Never (4) away
As love is fading		What if it's lost behind
From all the (1)	that we are	Words we could never find
But are not saying		Baby, before it's too late
Can we see beyond the scars		What about now
And make it to the dawn		Now (5) we're here
Change the colours of the sky		Now that we've come (6) far
And open up to		Just (7) on
The ways you made me feel alive		There is nothing to fear
The ways I loved you		For I am right beside you, for
For all the things that (2) died		All my life I am yours
To make it through the night, love will find you		What about now
What about now		What about today
What about today		What if you're making me
What if you're making me		All (8) I was meant to be
All that I was meant to be		What if our love
What if our love		Never went away
Never went away		What if it's lost behind
What if it's lost behind		Words we could never find
Words we could never find		What about now
Baby, before it's too late		What about today
What about now		What if you're making me
The sun is breaking in your eyes		All (9) I was meant to be
To start a new day		What if our love
This broken heart can still survive		Never went away
With a touch of your grace		What if it's (10) behind
Shadows fade into the light		Words we could never find
I am by your side where love will (3) you		Baby, before it's too late
What about now		Baby, before it's too late
What about today		Baby, before it's too late
What if you're making me		What about now
All that I was meant to be	a a
