What About Now by Westlife

All that I was meant to be

What if our love

Fill in the gaps

Shadows fill an (1) heart	Never went away
As love is fading	What if it's lost behind
From all the things that we are	Words we could never find
But are not saying	Baby, before it's too late
Can we see (2) the scars	What about now
And make it to the dawn	Now that we're here
Change the (3) of the sky	Now that we've (14) this far
And open up to	Just hold on
The ways you made me feel alive	There is nothing to fear
The ways I loved you	For I am right beside you, for
For all the things that never died	All my life I am yours
To make it through the night, love (4) (5)	What (15) now
you	What about today
What about now	What if you're making me
What about today	All that I was meant to be
What if you're making me	What if our love
All that I was meant to be	Never went away
What if our love	What if it's (16) behind
Never (6) away	Words we could (17) find
What if it's lost behind	What about now
Words we could (7) find	What about today
Baby, before it's too late	What if you're making me
What about now	All that I was meant to be
The sun is (8) in your eyes	What if our love
To start a new day	Never (18) away
This broken heart can still survive	What if it's (19) behind
With a touch of (9) grace	Words we (20) never find
Shadows fade into the light	Baby, before it's too late
I am by (10) (11) (12)	Baby, (21) it's too late
love will find you	Baby, (22) it's too late
What (13) now	What about now
What about today	
What if you're making me
