## Somebody That I Used To Know (Cover) by Walk Off The Earth

Now and then I think of when we were	e together	Now I don't wanna (4) that way
Like when you said you felt so happy you could die		Reading into every word you say
Told myself that you were right for me		You said that you could let it go
But felt so lonely in your company		And I wouldn't catch you hung up
But that was love and it's an ache I still remember		On somebody that you used to know
You can get addicted to a certain kind of sadness		But you didn't have to cut me off
Like resignation to the end, always the end		Make out like it never happened and that we were nothing
So when we found that we could not make sense		And I don't even need your love
Well, you said that we would still be fr	riends	You treat me like a stranger and (5) feels so rough
But I'll admit that I was glad that it was over		No, you didn't have to stoop so low
But you didn't (1) to cut me off		Have your friends collect your records
Make out like it never happened and that we were nothing		And then change (6) number
And I don't even need your love		I (7) that I don't (8) that though
You treat me like a stranger and that feels so rough		Now you're just somebody (9) I used to know
No, you didn't (2) to stoop	so low	Somebody (I used to know)
Have your friends collect your records		Now you're just somebody that I used to know
And then change your number		Somebody (I used to know)
I guess that I don't need that though		Now you're just somebody that I used to know
Now you're just somebody that I used to know		I used to know
Now you're just somebody that I used to know		That I used to know
Now you're just (3)	that I used to know	I (10) to know, somebody
Now and then I think of all the times y	ou screwed me over
