

Fill in the gaps

I talked to my sister in Memphis
And I told her you (1) movin' to town
Here's her number
She said she'd be glad to show you around
I left a map on (2) front seat
Just in case you lose (3) way
But don't worry, once you reach Saddlesong
It's all interstate
I know you need to go
But before you do I (4) you to know
That I wish you the best
And I wish you (5) less
Than every thing you've ever dreamed of
And I hope that you find love along the way
But most of all
I wish you'd stay
I figure right about sundown
You'll be in West Tennessee
And by then
Maybe I'll understand why you had to leave

I know that you've done some changin'
And I know there's no changin' your mind
And yes I know
We've been through this a thousand times
And I'm (6) for still holdin' on
I'll try to let go and I'll try to be strong
And I wish you the best
And I wish you nothing less
Than (7) thing you've ever dreamed of
And I hope that you find love along the way
But most of all
I wish you'd stay
Yes, everything you've ever dreamed of
And I hope that you'll (8) love along the way
But most of all
I wish you'd stay
Yeah, I wish you'd stay
