

Fill in the gaps

The World Moves On (Studio) by Jens Lekman

(And this song is called)

(The world moves on)

The thermometer ran out of numbers

When it reached 50 degrees

I just lay down on the floor

With a bag of frozen peas

We saw plumes of (1)_____ rising

In the (2)_____ (3)_____ our balcony

I poured a glass of wine

Sucked the juice out of a kiwi

Catherine turned on the TV

They showed (4)_____ after acres

Of absolutely nothing

And (5)_____ Stevie called and said

Are you watching what I'm watching?

I said I'm watching what you're watching

But what is it I'm watching?

The night before I had been bored

And my legs had been restless

It was my birthday

I'd already opened up my presents

At the social club, I met some friends

Who were friends with (6)_____ girl

One by one they dropped off

Till it was just me and her

We made out in every bar in town

While the (7)_____ of Victoria

Burned down to the ground

And the sun rose over the city

Fill in the gaps

The wind (8)_____ (9)_____ the valley

And you don't get over a broken heart

You just learn to carry it gracefully

The Edinburgh (10)_____ offered

Some kind of shade

I (11)_____ pick up some beers

And head down there late

Watch the possums and listen

To their Growling banter

There was one I liked especially

I named her Sam as in Samantha

I offered a slice of apple from my hand

She (12)_____ (13)_____ it, frown

And then lumber back to the trash can

I was going uphill on my Malvern Star

When I was passed by a scooter

You got a dollar or a cigarette?

Hey, I'm talking to you, poofter

What I should have said was nothing

What I said was "get lost"

Next (14)_____ I'm upside-down (15)_____ my bike in the dust

Spitting dirt all the way home

Cursing the very ground (16)_____ I was chewing on

And the sun rose over the city

The wind swept through the valley

And you don't get over a (17)_____ heart

You just learn to carry it gracefully

And that's what it's like

When you've had your heart broken

The world just shrugs its shoulders

Fill in the gaps

And gets going

It just moves on in all its sadness and glory

Over dinner with a friend

I tell her my story

And as I (18)_____ put the book

Back on the shelf

She says

Maybe it's time you (19)_____ a look at yourself

No one's born an *****

It takes a lot of hard work

But God knows I've worked my ass off

To be a jerk

So many (20)_____ I've held

While wondering why I felt nothing

And why, when I let go of (21)_____ hand

I always start to feel something

And (22)_____ a bottle smashed against my head

She'd say

I wish you just would've cheated on me instead

And loving without loving

Is always the worst crime

I know all the (23)_____ and signals

'Cause now I've been on both sides

The way you choose your words

The limpness of your hand

I (24)_____ died when you (25)_____ me as a friend

How can you call me a friend?

If you don't love me

Then please have the dignity to tell me

But I never said any of that

Fill in the gaps

I just shook (26)_____ hand

And (27)_____ down at the doormat

The sun rose over the city

The wind (28)_____ through the valley

And you don't get over a (29)_____ heart

You just learn to carry it gracefully
