Speak Now (Live) by Taylor Swift

Fill in the gaps

I am not the kind of girl
Who should be rudely barding in
On a white (1) occasion
But you are not the (2) of boy
Who should be marrying the wrong girl
I sneak in and see your friends
And her snotty little family all dressed in pastel
And she is yelling at a bridesmaid
Somewhere back inside a room
Wearing a gown shaped like a pastry
This is surely not what you thought it would be
I lose (3) in a daydream
Where I stand and say
Don't say yes, run away now
I'll meet you when you're out
Of the church at the back door
Don't wait, or say a (4) vow
You need to hear me out
And they said: (5) now
Fond gestures are exchanged
And the organ (6) to play
A song that sounds like a death march
And I am hiding in the curtains
It seems I was uninvited by your lovely bride to be
She floats down the aisle like a pageant queen
But I know you wish it was me
But I know you wish it was me
But I know you wish it was me You wish it was me
But I know you wish it was me You wish it was me Don't you?
But I know you wish it was me You wish it was me Don't you? Don't say yes, run away now
But I know you wish it was me You wish it was me Don't you? Don't say yes, run away now I'll meet you when you're out
But I know you wish it was me You wish it was me Don't you? Don't say yes, run away now I'll meet you when you're out Of the church at the back door

Don't say yes, run away now I'll meet you when you're out Of the church at the back door Don't wait, or say a single vow Your time is running out And they said speak now (Ooh, ooh) I hear the preacher say Speak now or forever hold your peace There's the silence, there's my last chance I stand up with shaky hands, all eyes on me Horrified looks from everyone in the room But I'm (8)_____ looking at you I'm not the (9)____ of girl Who should be rudely barging in On a white veil occasion But you are not the (10)_____ of boy Who should be marrying the wrong girl So don't say yes, run away now I'll meet you when you're out Of the church at the back door Don't wait, or say a single vow You need to hear me out And they said: speak now And you'll say let's run away now I'll meet you when I'm out Of my tux at the back door Baby, I didn't say my vows So glad you were around When they said speak now
