## Speak Now (Live) by Taylor Swift

And they said: speak now

## Fill in the gaps

I am not the kind of girl		Don't say yes, run away now	
Who should be rudely barding in		I'll meet you when you're out	
On a white veil occasion		Of the church at the back door	
But you are not the kind of boy		Don't wait, or say a single vow	
Who should be (1) the wrong girl		Your time is running out	
I sneak in and see your friends		And they said speak now	
And her snotty little family all dressed in pastel			
And she is yelling at a bridesmaid		(Ooh, ooh)	
Somewhere back inside a room		I hear the preacher say	
Wearing a gown shaped like a pastry		Speak now or forever hold your peace	
This is (2) not what you thought it would be		There's the silence, there's my last chance	
I (3) myself in a daydream		I stand up with shaky hands, all eyes on me	
Where I stand and say		Horrified looks from everyone in the room	
Don't say yes, run away now		But I'm only (8) at y	ou/
I'll meet you when you're out		I'm not the kind of girl	
Of the church at the back door		Who should be rudely barging in	
Don't wait, or say a single vow		On a white veil occasion	
You need to hear me out		But you are not the kind of boy	
And they (4) speak now		Who should be marrying the wrong girl	
Fond gestures are exchanged		So don't say yes, run away now	
And the organ starts to play		I'll meet you when you're out	
A (5) that sounds like a death march		Of the church at the back door	
And I am hiding in the curtains		Don't wait, or say a (9)	vow
It seems I was uninvited by your lovely bride to be		You need to hear me out	
She floats down the aisle like a (6)	_ queen	And they said: speak now	
But I know you wish it was me		And you'll say let's run away now	
You wish it was me		I'll meet you when I'm out	
Don't you? Don't say yes, run away now		Of my tux at the back door Baby, I didn't say my vows	
Of the church at the back door		When they said speak now	
Don't wait, or say a single vow			
You need to hear me out
