

Change by Taylor Swift

Fill in the gaps

And it's a sad picture
The final blow hits you
Somebody else gets what you wanted again and
You know it's all the same
Another time and place
Repeating history and you're getting sick of it
But I believe in whatever you do
And I'll do anything to see it through
Because these things will change
Can you feel it now?
These walls (1)_____ they put up
To hold us back will fall down
This revolution, the time will come
For us to finally win
We sing hallelujah
We (2)_____ hallelujah...
So we've been outnumbered
Raided and now cornered
It's (3)_____ to fight when the fight ain't fair
We're getting (4)_____ now
Find things they never found
They might be bigger
But (5)_____ faster and (6)_____ scared
You can walk away, say we don't (7)_____ this
But there's something in your eyes
Says we can beat this

Because these things will change
Can you feel it now?
These walls that they put up
To hold us back will fall down
This revolution, the time (8)_____ come
For us to finally win
We sing hallelujah
We sing hallelujah...
Tonight we stand
Get off our knees
Fight for what we've worked for all these years
And the battle was long
It's the fight of our lives
But we'll stand up champions tonight
It was the night things changed
Do you see it now?
These walls that they put up
To hold us back fell down
It's a revolution
Throw your hands up
'Cause we never (9)_____ in
And we sing hallelujah
We sang hallelujah
Hallelujah
