Yeah,Uh Huh,LaRaRaRaLa		Too many lies committed too many games		
Sorry Sorry Sorry		She feeling like a fool (6)	on the last	t train
Hey baby, my nose is getting big		Trying to maintain but the feeling won't change		
I noticed it be growing when I been telling		I'm sorry for the things that I've done and what I		
them fibs		became		
Now you say your trust's getting weaker		Caught up in (7) my life in the fast lane		
Probably cuz my lies just started getting deeper		Blinded by lights, cameras, you know the fame		
And the (1) for my confession is that I learned		I don't know the reason why I did these things		
my lesson		And I lie and I lie and I lie and I lie		
And I really think you (2)	_ know the truth	And now ya emotions are drain	ed	
Because I lied and I cheated and I lied a little more		When I lie and I lie and a little lie lie		
But after I did it I don't know (3)	I did it for	And now ya emotions are drained		
I (4) that I have been a little immature		[Chorus x2]		
Fucking with your heart like I was the predator		Yo, I'm lying to my girl even though I love her		
In my book of lies I was the editor and the author		And she all in my world		
I forged my signature		I give her all my attention and diamonds & pearls		
And now I apologize for what I did to you		She's the one who makes me feel on top of the world		
Cuz what you did to me I did to you		Still I'm lyin' to my girl, I do it		
[Chorus]		And I lie and I lie and I lie till there's no turning back		
Nononono baby, nononono don't lie		I don't know why, and I lie and I lie till I don't know		
Nononono, yeah you know know know you		who I am		
gotta try		And then I tell myself		
What you gonna do when it all comes out		Nononono baby, nononono don't lie		
When I see you & what you're all about		Nononono, yeah you know know know know you		
Nononono baby, nononono don't lie		gotta try		
Because you know you (5)	you know you know	What you gonna do (8)	it all (9)	_ out
you know you gotta try		When I see you & what you're all about		
She said I'm leaving		Nononono baby, (10)	don't lie	
She can't take the pain		Nononono baby, nononono		
It's hard to continue this love, it ain't the same		Stop, st-stop st-stop stop lying.		
Can't forget the things that I've done in	side her
