

Even an angel can end up falling

Fill in the gaps

For satellites

Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
Well, they said it was time for changing
Rise and shine, everybody's making it but you
And (1) told you to trust your dreaming
But it's hard to believe a feeling
That you just don't know
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
You can try and walk on water
In the end (2) walks all over you
No, you don't like the sight of mirrors
'Cause you're (3) that the face will see will
(4) just
Like before
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a (5) morning

Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
All I want is you
Let me take him back where you once belong
All I want is you
It will be alright if you (6) along
You were never gone
Even an angel can end up falling
Don't you cry, because you're crawling
Start again, it's a beautiful morning
For satellites
Even an angel can end up falling
Don't you cry, (7) you're crawling
Start again, it's a beautiful morning
For satellites
Even an (8) can end up falling
