Darling you're with me, always around me	Watch me fall apart, watch me fall apart
Only love, only love	Watch me fall apart
Darling I feel you under my body	Watch me fall apart
Only love, only love	Only love, love, love
Give me shelter or (1) me heart	Only love, love, love
Come on love, come on love	Only love, love, love
Watch me fall apart, watch me (2) apart	Girl show me heart
And I'll be yours to keep	Come on love, love, love
A wind in the shadow, a whale song in the deep	Come on love, love, love
