Don't Love You No More (I'm Sorry) by Craig David

For all the years that I've known you baby	I can see a tear roll down your face
I can't figure out the reason why lately	That's when you (11) and said to me
You've been acting so cold (didn't you say)	I don't care babe who's right or wrong
If there's a problem we should work it out	I just don't love you no more
So why you giving me the cold shoulder now	Rain outside my (12) pouring down
Like you don't (1) want to talk to me girl, tell me	What now, you're gone, my fault, I'm sorry
Ok I know I was late again	Feeling like a fool 'cause I let you down
I (2) you mad and dinners thrown in (the bin)	Now it's too late to turn it around
But why you making this thing (3) on so long	I'm sorry for the tears I've made you cry
I wanna know	I guess (13) time it really is goodbye
I'm (4) and tired of this silly game (silly games)	You made it clear when you said
Don't think that I'm the only one here to blame	(I just don't love you no more)
It's not me who's been (5) round slamming	Those simple words hit so hard
doors	They turned my whole (14) upside down
That's when you turned and said to me	Girl, you caught me completely off guard
I don't care (6) who's right or wrong	On (15) night you said to me
I just don't love you no more	I just don't (16) you no more
Rain outside my window pouring down	Rain (17) my (18) pouring
What now, you're gone, my fault, I'm sorry	down
Feeling like a fool 'cause I let you down	What now, you're gone, my fault, I'm sorry
Now it's too late to turn it around	Feeling like a fool 'cause I let you down
I'm sorry for the tears I've made you cry	Now it's too (19) to turn it around
I guess this time it really is goodbye	I'm (20) for the tears I've (21) you cry
You made it (7) when you said	I (22) time it really is goodbye
I just don't love you no more	You (24) it clear when you said
I know that I've made a few mistakes	I just don't love you no more
But never (8) that things would turn out this	Rain outside my window pouring down
way	What now, you're gone, my fault, I'm sorry
Doesn't make sense to me now that you're gone	Feeling like a fool 'cause I let you down
(I see it all so clearly)	
Me at the door (9) you in a state (in a state)	
Giving my (10) but as you look away
