## Don't Love You No More (I'm Sorry) by Craig David

For all the years that I've known you baby		I can see a tear roll down your face
I can't figure out the reason why lately		That's when you turned and said to me
You've been acting so (1)	(didn't you say)	I don't care babe who's right or wrong
If there's a problem we should work it out		I just don't love you no more
So why you giving me the cold shoulder now		Rain outside my window pouring down
Like you don't even want to (2)_	to me girl, tell me	What now, you're gone, my fault, I'm sorry
Ok I know I was (3) again		Feeling like a fool 'cause I let you down
I (4) you mad and dinners thrown in (the bin)		Now it's too late to turn it around
But why you making this thing drag on so long		I'm sorry for the tears I've made you cry
I wanna know		I guess this time it really is goodbye
I'm sick and tired of this silly game (silly games)		You made it clear when you said
Don't think that I'm the only one here to blame		(I just don't love you no more)
It's not me who's been going (5)_	slamming doors	Those (7) words hit so hard
That's when you turned and said to me		They turned my whole world upside down
don't care babe who's right or wrong		Girl, you caught me completely off guard
I just don't love you no more		On that night you (8) to me
Rain outside my window pouring down		I just don't (9) you no more
What now, you're gone, my fault, I'm sorry		Rain (10) my window pouring down
Feeling like a fool 'cause I let you down		What now, you're gone, my fault, I'm sorry
Now it's too late to turn it around		Feeling like a fool 'cause I let you down
I'm sorry for the tears I've made you cry		Now it's too late to turn it around
I guess this time it (6)	is goodbye	I'm sorry for the tears I've made you cry
You made it clear when you said		I guess this time it really is goodbye
I just don't love you no more		You made it clear when you said
I know that I've made a few mistakes		I just don't love you no more
But never thought that things would turn out this way		Rain outside my window pouring down
Doesn't make sense to me now that you're gone		What now, you're gone, my fault, I'm sorry
(I see it all so clearly)		Feeling like a fool 'cause I let you down
