She's cold and she's cruel		She won't pick up the phone	
But she (1) what she's doin'		She'd rather be alone	
She pushed me in the pool		But I can't give up just yet	
At our last school reunion		'Cause every word she's ever said	
She (2) at my	dreams	Is still ringin' in my head	
But I dream about her laughter		Still ringin' in my head	
Strange as it seems		She's (6) and she's cruel	
She's the one I'm after		But she knows what she's doin'	
'Cause she's bittersweet		Knows (7) what to say	
She knocks me off of my feet		So my whole day is ruined	
And I can't help myself		'Cause she's bittersweet	
I don't want anyone else		She knocks me off of my feet	
She's a mystery		And I can't help myself	
She's too much for me		I don't (8) ar	nyone else
But I keep comin' back for more		She's a mystery	
She's just the girl I'm lookin' for		She's too much for me	
She can't keep a secret		But I keep comin' back for more	
For more than an hour		'Cause she's bittersweet	
She runs on 100 proof attitude power		She knocks me off of my feet	
And the more she ignores me		And I can't help myself	
The more I adore her		I don't want anyone else	е
What can I do?		She's a mystery	
I'd do (3)	for her	She's too (9)	for me
'Cause she's bittersweet		But I keep comin' back for more	
She knocks me off of my feet		(Oh) I keep comin' back for more	
And I can't help myself		She's just the girl I'm lookin' for	
I don't want (4)	_ else	Just the (10)	I'm lookin' for
She's a mystery		I'm lookin' for	
She's too much for me		I'm lookin' for	
But I keep comin' back for more		I'm lookin' for	
She's just the girl I'm lookin' for		Just the girl I'm lookin' for	
And (5) she sees it's me
