## Fill in the gaps

She's cold and she's cruel	She won't (10) up the phone
But she knows what she's doin'	She'd rather be alone
She pushed me in the pool	But I can't give up (11) yet
At our last school reunion	'Cause every word she's ever said
She laughs at my dreams	Is still ringin' in my head
But I dream about her laughter	Still ringin' in my head
Strange as it seems	She's cold and she's cruel
She's the one I'm after	But she knows what she's doin'
Cause she's bittersweet	Knows (12) what to say
She knocks me off of my feet	So my whole day is ruined
And I can't (1) myself	'Cause she's bittersweet
don't (2) (3) else	She knocks me off of my feet
She's a mystery	And I can't (13) myself
She's too (4) for me	I don't (14) anyone else
But I keep comin' back for more	She's a mystery
She's just the girl I'm lookin' for	She's too much for me
She can't keep a secret	But I (15) comin' (16) for more
For more (5) an hour	'Cause she's bittersweet
She runs on 100 proof attitude power	She knocks me off of my feet
And the more she ignores me	And I can't help myself
The (6) I adore her	I don't want (17) else
Vhat can I do?	She's a mystery
'd do anything for her	She's too much for me
Cause she's bittersweet	But I (18) comin' (19) for more
She knocks me off of my feet	(Oh) I keep comin' back for more
And I can't help myself	She's just the girl I'm lookin' for
don't (7) anyone else	Just the girl I'm lookin' for
She's a mystery	I'm lookin' for
She's too (8) for me	I'm lookin' for
But I (9) comin' back for more	I'm lookin' for
She's just the girl I'm lookin' for	Just the girl I'm lookin' for
And when she sees it's me
