

I'd be the last man standing

## Fill in the gaps

I, I am the one, the one	I, I am the one, the one
Who lost control, control	Who (4) his soul, his soul
But in the end	Forever gone
I'd be the last man standing	To be the last man standing tall
I, I am the one, the one	Nothing would rule my world but
Who (1) his soul, his soul	I, I am the one, the one
Forever gone	Who (5) control, control
To be the last man standing tall	But in the end
Glorious, noble in my mind	I'd be the last man standing
Everything you fight to win	I, I am the one, the one
Taking all and giving	Who sold his soul, his soul
Whatever my pride would let me	Forever gone
Not backing down, not (2) in	To be the last man standing
I wouldn't lose, I couldn't	I, I am the one, the one
I, I am the one, the one	Who lost control, control
Who lost control, control	But in the end
But in the end	I'd be the last man standing
I'd be the last man standing	I, I am the one, the one
I, I am the one, the one	Who (6) his soul, his soul
Who sold his soul, his soul	Forever gone
Forever gone	To be the last man standing tall
To be the (3) man standing tall	Seeing clearer of what I've done
I walk alone with my head held high	I'd refuse to let (7) go
Never felt that I belonged	I could never once admit I'm wrong
Stand my ground at all costs	And what I have to show?
Running through life with blindfolds	Seeing (8) what's at stake
Just for the right, right to be wrong	And the things I have to change
Nothing would rule my world but	I (9) hope I can, it's not too late
I, I am the one, the one	To get a chance to end this pain
Who lost control, control	
But in the end
