

Read the stars and see my scars

Fill in the gaps

it's been a long way	I feel so low when you're away
I (1) hard not to fall apart	So reach out, it's not far
Every night I pray	Listen to me pray
And your (2) is singing in my heart	Destiny
I have been waiting	I've been looking for something to guide me
A (3) (4) for you to take my hand	Destiny
Loving and hating	Even though I tried I can't deny you
A desire that I don't understand	If I let you go (let you go)
I can't breath, I can't sleep	I betray my soul (my soul)
Why can't I get through to you?	I know that this is something more
I can't think, I can't speak	Even though (even though), nothing's spoken for (spoken for)
What am I to do?	A way that you will (7) the same
Destiny	'bout mee ooohhh
I've been looking for something to guide me	If I let you go (let you go)
Destiny	I (8) my soul (my soul)
Even though I've tried I can't deny you	I know this is something more
If I let you go, (5) betray my soul	Even though, (even though) nothing spoken for (spoken for)
I know that this is something more	I pray that you (9) feel the same 'bout me
Even though nothing's spoken for,	Destiny
a way that you will (6) the same 'bout me	Faith is within me
Destiny	Destiny
