## Have Yourself A Merry Little Christmas by Judy Garland

| Have yourself a merry little Christmas         |           |
|--|-----------|
| Let (1) heart be light                         |           |
| Next (2) all our troubles will be out of sight |           |
| Have (3) a merry (4)                           | Christmas |
| Make the yule-tide gay                         |           |
| Next year all our troubles will be (5) away    |           |
| Once again as in (6) days                      |           |
| Happy golden (7) of yore                       |           |
| Faithful friends who were dear to us           |           |
| Will be (8) to us (9) more                     |           |
| Someday soon, we all will be together          |           |
| If the fates allow                             |           |
| Until then                                     |           |
| We'll have to muddle (10) somehow              |           |
| So have yourself                               |           |
