Don't listen to a word I say, hey!

Fill in the gaps

Little Talks by Of Monsters and Men

Hey!	The screams all sound the same, hey!
Hey!	Though the truth may vary this
Hey!	Ship will carry our bodies safe to shore
I don't like walking around this old	Hey!
Then (1) house	Hey!
So hold my hand, I'll walk through my dear	You're gone, gone away
The (2) creak as I sleep	I wish you'd disappear
It's keeping me awake	All that's (6) is a (7) of you
It's the house telling you to close your eyes	Now we're torn, torn, torn apart
Some days I can't even trust myself	There's nothing we can do
It's killing me to see you this way	Just let me go, I mean against you
Because though the truth may vary this	Now wait, wait, (8) for me
Ship will carry our bodies safe to shore	Please hang around
Hey!	I see you when I (9) asleep, hey!
Hey!	Don't listen to a word I say, hey!
Hey!	The screams all sound the same, hey!
There's an old voice in my head that's	Though the truth may vary this
Holding me back	Ship will carry our bodies safe to shore
Well tell her that I miss our little talks	Don't listen to a word I say, hey!
Soon it will be all over	The screams all sound the same, hey!
And buried with our past	Though the truth may vary this
We (3) to (4) outside when we were	Ship will carry our (10) safe to shore
young	Though the truth may vary this
And full of life and full of love	Ship will carry our bodies safe to shore
Some days I don't know if I am (5) or right	Though the truth may vary this
Your mind is playing tricks on you my dear	Ship will carry our bodies safe to shore
Because though the truth may vary this	
Ship will carry our bodies safe to shore, hey!
