## Fill in the gaps

### Little Talks by Of Monsters and Men

Hey!	The screams all sound the same, hey!
Hey!	Though the truth may vary this
Hey!	Ship will carry our bodies safe to shore
I don't like walking (1) this old	Hey!
Then empty house	Hey!
So hold my hand, I'll walk through my dear	You're gone, gone away
The stairs creak as I sleep	I wish you'd disappear
It's keeping me awake	All that's left is a ghost of you
It's the house telling you to close your eyes	Now we're torn, torn, torn apart
Some days I can't even trust myself	There's nothing we can do
It's killing me to see you this way	Just let me go, I mean against you
Because though the truth may vary this	Now wait, wait, wait for me
Ship will carry our bodies safe to shore	Please hang around
Hey!	I see you when I fall asleep, hey!
Hey!	Don't (8) to a word I say, hey!
Hey!	The screams all sound the same, hey!
There's an old voice in my head that's	Though the truth may vary this
Holding me back	Ship will carry our (9) safe to shor
Well tell her that I miss our little talks	Don't listen to a word I say, hey!
Soon it will be all over	The screams all sound the same, hey!
And buried with our past	Though the truth may vary this
We used to (2) outside when we were young	Ship will carry our bodies safe to shore
And full of life and (3) of love	Though the truth may vary this
Some days I don't know if I am wrong or right	Ship will carry our bodies safe to shore
Your (4) is playing (5) on you my	Though the truth may vary this
dear	Ship will carry our bodies safe to shore
Because though the (6) may vary this	
Ship will carry our bodies safe to shore, hey!	
Don't (7) to a word I say, hey!
