Window Seat by Erykah Badu

Fill in the gaps

	Back and forth like Lightning Hopkins
So, presently I'm standing	If anybody speak to Scotty
Here right now, you're so demanding	Tell him, beam me up
Tell me what you want from me	So can I get a window seat
Concluding	Don't want nobody next to me
Concentrating on my music, lover and my babies	I just want a ticket out of town
Makes me wanna ask the lady for a (1) out of	A look around and a safe touch down
own	Can I get a window seat
So can I get a window seat	Don't want nobody next to me
Don't want nobody next to me	See, I just want a chance to fly
just want a ticket out of town	A chance to cry and a long bye-bye
A look around and a safe touch down	
Can I get) a window seat	But I, I need you to miss me
Don't want nobody next to me	I need somebody come get me
just want a (2) to fly	I see, I need your attention, yes
A chance to cry and a long bye-bye	And I (9) your energy, yes, I do
	(Oh oh oh) I, I need someone to clap for me
But I, I need you to want me	And I need your direction
need you to miss me	Somebody say, come back, hey, come back, baby
, I need your attention, yes	Come back, I want you to need me
(3) you next to me	Come back, come back, baby, come back
Oh) I, I need someone to clap for me	
need your direction	Come back, come back, baby, come back
Somebody say, come back	Come look for me
Come back, baby, (4) back	Come back, come back, baby, come back
want you to need me	So can I get a window seat
Come back (hey) come back, baby	Don't (10) nobody next to me
Come back, baby	I just want a ticket out of town
Come back, come back, baby, come back	A look around and a safe touch down
Come to me	
Come back, come back, baby, (5) back	I just want a chance to fly
So, in my mind I'm tussling	A chance to cry and a long bye bye
Back and (6) (be)tween here and hustling	
don't wanna time (7) no more	
(8) be here, I'm thinking	
See, on this porch I'm rocking
