Catch a Dylan song or some eclipse of the moon	From the beginning of time
Let an angel swing and make you swoon	There are answers
Then you will see, you will see	We're not wise enough to see
Then he said, here's a riddle for you	He said, you looking for a clue

In the scheme of things, well we're nothing at all	Here's a riddle for you
Still every mother's child sings a (3) song	Find the answer
So play with me, come play with me	There's a reason for the world
And hey dad, here's a riddle for you	You and I
