Don't You Worry Child by Swedish House Mafia & John Martin

There was a time		We ruled the world
I (1) to (2)	_ into my father's eyes	I thought I'll never lose her out of sight
In a happy home		We were so young
I was a king I had a (3)	throne	I think of her now and then
Those days are gone		I still hear the songs
Now the memories are on the wall		Reminding me of a friend
I hear the songs		Up on the hill across the blue lake
From the places where I was born		That's where I had my (7) heartbreak
Up on the (4) (5)	the blue lake	I still remember how it all changed
That's where I had my first heartbreak		My (8) said
I still (6) how it all changed		Don't you worry, don't you worry, child
My father said		See Heaven's got a plan for you
Don't you worry, don't you worry, child		Don't you worry, don't you (9) now
See Heaven's got a plan for you		(Yeah)
Don't you worry, don't you worry now		See Heaven's got a plan for you
(Yeah)		See Heaven's got a (10) for you
Don't you worry, don't you worry, child		See Heaven's got a plan for you
See Heaven's got a plan for you		Don't you worry, don't you worry, child
Don't you worry, don't you worry now		See Heaven's got a plan for you
(Yeah)		Don't you worry, don't you worry now
