## Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo	When the cats come out the bats (8) out to play,
I'll be the (1) when it all goes up	yeah
I'll be the same when it all goes down	In the morning after
Not the first one open it up	The dawn is here, be gone, be on your way, yeah
I'll be the last one (2) it out	In the (9) after dark
Don't (3) if I'll give you a shot yet	Go Nelly
Little mama, I'm peeping your style	I need some R.E.M. but
Do I think you're dope enough (yup)	I don't like sleeping alone
One way of finding it out	So come and pick me up as
The way you came at me (boo)	Soon as you put (10) the phone
Don't care, not afraid, I'm like wild	I wanna get into trouble
Really want it from head to toe	Later you'll carry me home
Question if she gonna let it out	I wanna go undercover
Anyway the (4) glass go	I just wanna rattle your bones
I don't worry anyhow	Yes, I'm the one and only but I'm not the only one
Why don't we see where it go	So let's work overtime on this shift, it ends with the sun
Let's figure it out	Maybe we can start a riot
When the cats come out the bats come out to play, yeah	Maybe we can run this town
In the morning after	Maybe I'll be your vampire
The dawn is here, be gone, be on your way, yeah	We could figure it out
In the morning after	When the cats come out the bats come out to play, yeah
When the cats (5) out the bats come out to play,	In the morning after
yeah	The dawn is here, be gone, be on your way, yeah
In the morning after	In the morning after
The dawn is here, be gone, be on your way, yeah	When the cats come out the bats come out to play, yeah
In the morning after dark	In the morning after
Come on, SoShy	The dawn is here, be gone, be on your way, yeah
I got a little secret for you	In the morning after dark
I never sleep when comes the night	Dark, dark, dark, dark
But every time I smack my fingers	In the morning after dark
I switch back (6) the light	Dark, dark, dark, dark
My (7) belongs to your sun	In the morning after dark
Your fire is burning my mind	Please don't leave me, girl
Is it love or is it lust	In the morning after dark
Something that I just can't describe	Please don't leave me, girl
Am I the one and only	In the morning after dark
'Cause you're the only one	Please don't leave me, girl
It felt so long and lonely	When the cats come out the bats come out to play
Waiting for you to come	When the cats come out the bats come out to play
It's looking bright and early	Play, play
I'm willing to close my eyes	The dawn is here, be gone, be on your way
This is the unusual story	Way (way)
Timbo and SoShy	When the cats come out the bats come out to play
When the cats come out the bats come out to play, yeah	Play, play (play)
In the morning after	The dawn is here, be gone, be on your way
