## Morning After Dark by Timbaland & Nelly Furtado & Soshy

Go Timbo	When the cats (5) out the bats come out to play,
I'll be the same when it all goes up	yeah
I'll be the same when it all goes down	In the morning after
Not the first one open it up	The dawn is here, be gone, be on your way, yeah
I'll be the last one closing it out	In the morning after dark
Don't know if I'll give you a shot yet	Go Nelly
Little mama, I'm peeping your style	I need (6) R.E.M. but
Do I think you're dope enough (yup)	I don't like sleeping alone
One way of finding it out	So come and pick me up as
The way you came at me (boo)	Soon as you put down the phone
Don't care, not afraid, I'm like wild	I wanna get into trouble
Really want it from head to toe	Later you'll carry me home
Question if she (1) let it out	I wanna go undercover
Anyway the hour glass go	I just wanna rattle your bones
I don't worry anyhow	Yes, I'm the one and only but I'm not the only one
Why don't we see where it go	So let's work overtime on this shift, it ends with the sun
Let's figure it out	Maybe we can start a riot
When the (2) come out the bats come out to play,	Maybe we can run this town
yeah	Maybe I'll be your vampire
In the morning after	We could figure it out
The dawn is here, be gone, be on your way, yeah	When the (7) come out the bats come out to play,
In the morning after	yeah
When the cats come out the bats come out to play, yeah	In the morning after
In the morning after	The dawn is here, be gone, be on your way, yeah
The dawn is here, be gone, be on your way, yeah	In the morning after
In the morning after dark	When the cats come out the bats come out to play, yeah
Come on, SoShy	In the (8) after
I got a little secret for you	The dawn is here, be gone, be on your way, yeah
I never sleep when comes the night	In the morning after dark
But every (3) I smack my fingers	Dark, dark, dark, dark
I switch back into the light	In the morning after dark
My moon belongs to your sun	Dark, dark, dark, dark
Your fire is burning my mind	In the morning after dark
Is it (4) or is it lust	Please don't leave me, girl
Something that I just can't describe	In the morning after dark
Am I the one and only	Please don't leave me, girl
Cause you're the only one	In the morning after dark
It felt so long and lonely	Please don't leave me, girl
Waiting for you to come	When the cats come out the bats (9) out to play
It's looking bright and early	When the cats come out the bats come out to play
I'm willing to close my eyes	Play, play
This is the unusual story	The dawn is here, be gone, be on your way
Timbo and SoShy	Way (way)
When the cats come out the bats come out to play, yeah	When the cats come out the bats come out to play
In the morning after	Play, (10) (play)
The dawn is here, be gone, be on your way, yeah	The dawn is here, be gone, be on your way
