

Fill in the gaps

Wonderman by Tinie Tempah & Ellie Goulding

The strong, the mighty	More than the performances in (19)
The forces of (1) can (2) destroy	(20) places
The (3) of the Wonderman	Benidorm, Vegas, (21) more praises
And though the most formidable journey lies ahead	Amen, hallelujah
Only one will prevail	Tinie (22) what's happened to ya
Wonder, Wonderman	(Yeah) they love that attitude
(Ah, yeah)	Brand new and improved
These haters couldn't get to (4) I am	(Yeah) And when the fans start grabbing you
With a full tank of petrol	Show gratitude with a little brag or two
(Ah) My uncle used to drink a can of kestrel	Amen, hallelujah
When life got stressful	Tinie look what's happened to ya who can say they ran
(Ah) What kind of person should you be	All the obstacles I ran, look
When you wanna make people to accept you	I traded friends for fans
(Ah) (5) does it really mean	Cement for sand
When you dream of being (6) and successful	Raise your hand
When you (7) (8) to be special	The Wonderman
(Ah, yeah) And I went (9) the kid in class	(And) I see the (23) lights shine in your face
Text some (10) DJs so they could	We're counting on you
(11) me up	To take it all away (the Wonderman)
To the young rapper everybody's ringing up	I saw the chosen one
Got them looking for a sprinkle of that (12) dust	They're calling your name
Mad thoughts in my head when it's (13) up	(The Wonderman)
Like, are you really big enough	Come on, come on
I traded friends for fans	The stars are where you belong
Cement for sand	Come on, follow
Raise your hand	Your heart is gonna take you home
The Wonderman	Come on, come on
(And) I see the bright lights (14) in your face	The stars are where you belong
We're counting on you	There's no turning back from here
To take it all away (the Wonderman)	And I see the bright (24) shine in your face
I saw the (15) one	We're counting on you
They're calling your name	To take it all away (the Wonderman)
The Wonderman	I saw the chosen one
Bored of (16) nameless	They're calling your name
Bored of (17) awkward when you walk up	The Wonderman
in the mall	From this day on
And can't afford a pair of trainers	The world (25) never be the same
Imagine when it changes	
Imagine satisfaction when you make it	
It's more than being famous	
More then the applause and (18) than any form of	
status
