

## Fill in the gaps

## AutoTune by Jason Chen & Bubzbeauty

	You always know how to bring me right back
I was young lost stupid	When my pitch is off
Didn't (1) what I was doing wrong	You (14) it all right (15) its all so wrong
Just eat sleep feeling free	You're my auto tune, you can be my auto tune
Then I'd (2) all night long	
But I would never get too worried	Be my auto tune
About the little things in life	
I knew I won the lottery	Baby be my (16) tune
'Cause (3) can't you see	
Just (4) about you as I sing this song	Just thinking about you as I sing this song
'Cause (5) you're around I can do no wrong	'Cause when you're around I can do no wrong
And I'm never too sharp, never flat	And I'm never too sharp, never flat
Girl imagine that	Girl (17) that
You always (6) how to (7) me right	You always (18) how to bring me (19)
back	back
When my pitch is off	When my (20) is off
You make it all right (8) its all so wrong	You (21) it all right when its all so wrong
You're my (9) tune, you can be my auto tune	You're my auto (22) (you can be my auto tune)
	Just thinking about you as I sing this song
Now I've (10) my way girl ever since you	'Cause when you're around I can do no wrong
(11) along	And I'm never too sharp, never flat
As I listen to the radio, bumping to our catchy song	Girl (23) that
You mean more than a Grammy	You always know how to (24) me right back
And all the money in the world	When my pitch is off
Every time that I get off key girl	You make it all right when its all so wrong
Continue to save me	You're my auto tune
Just thinking about you as I sing (12) song	You can be my (25) tune
'Cause when you're around I can do no wrong	
And I'm never too sharp, (13) flat	
Girl imagine that
