When Can I See You Again? by Owl City

(Hey, you moved my stump)	It's been fun but now I've got to go
(I'm gonna wreck it)	Life is way too short to take it slow
(I can fix it)	But (9) I go and hit the road
(When can I see you again)	I got to know
Switch on the sky	'Till then
And the stars glow for you	When can we do this again?
Go see the world	(Oh, oh, oh)
'Cause it's all so brand new	When can I see you again?
Don't (1) eyes	(Oh, oh, oh)
'Cause your future's ready to shine	When can we do this again?
It's just a matter of time	(Oh, oh, oh)
Before we learn how to fly	I got to know, I got to know
Welcome to the rhythm of the night	When can I see you again?
There's (3) in the air you can't deny	Don't close your eyes
It's been fun but now I've got to go	'Cause your future's ready to shine
Life is way too short to take it slow	It's just a matter of time
But (4) I go and hit the road	Before we learn how to fly
I got to know	Welcome to the rhythm of the night
'Till then	There's something in the air you can't deny
When can we do (5) again?	Let me know before I wave goodbye
(Oh, oh, oh)	When can I see you again?
When can I see you again?	(Oh, oh, oh)
(Oh, oh, oh)	When can we do this again?
When can we do this again?	(Oh, oh, oh)
(Oh, oh, oh)	When can I see you again?
I got to know	(Oh, oh, oh)
When can I see you again?	When can we do this again?
(When can I see you again?)	(Oh, oh, oh)
Joined at the hip, yeah	Yeah, it's been fun but now I've got to go
Your sidekick (6) you	Life is way too short to take it slow
Life is a trip	But before I go and hit the road
On the road (7) leads you	Tell me when
Look all around	When can I see you again?
At the (8) you haven't climbed	When can I see you again?
It's just a matter of time	Tell me when
Before we learn how to fly	When can I see you again?
Welcome to the rhythm of the night
