

## Fill in the gaps

Close your tired eyes	But not (14) time
Relaxing them	When the sun goes down
Count (1) 1 to 10 and open them	And the lights burn out
All these heavy thoughts will try to weigh you down	Then it's time for you to shine
But not this time	Brighter than a shooting star
Way up in the air	So shine no matter where you are
You're (2) free	Fill the (15) night
And you can stay up there	With a brilliant light
Right next to me	'Cause it's time for you to shine
All this (3) will try to pull you down	Brighter than a shooting star
But not (4) time	So shine no matter (16) you are
When the sun goes down	Tonight
And the lights burn out	(Wooh, wooh, wooh)
Then it's time for you to shine	Brighter (17) a shooting star
Brighter than a shooting star	Shine no matter where you are
So shine no matter where you are	Tonight
Fill the darkest night	A thousand (18)
With a brilliant light	(19) time
'Cause it's time for you to shine	And makes this dark (20) come alive
Brighter than a shooting star	So when the lights flicker out tonight
So shine no (5) where you are	You (21) shine
Tonight	When the sun (22) down
(Wooh, wooh, wooh)	And the lights burn out
Brighter than a shooting star	Then it's time for you to shine
Shine no (6) you are	Brighter than a (23) star
Tonight	So (24) no matter where you are
Gazing (8) my eyes	Fill the darkest night
When the fire starts	With a brilliant light
And fan the (9) so hot	'Cause it's time for you to shine
It (10) our hearts	Brighter than a shooting star
All the pouring rain	So shine no matter where you are
Will try to put it out	Tonight
But not this time	(Wooh, wooh, wooh)
Let (11) colours burn	Brighter than a shooting star
And brightly burst	Shine no matter where you are
Into a million sparks	Tonight
But all (12) and	
(13) a world	
That'll try to bring you down
