

Fill in the gaps

Close (1) tired eyes	But not (8) time	
Relaxing them	When the sun goes down	
Count from 1 to 10 and open them	And the lights burn out	
All these heavy thoughts will try to weigh you down	Then it's time for you to shine	
But not this time	Brighter than a shooting star	
Way up in the air	So shine no matter where you are	
You're finally free	Fill the darkest night	
And you can (2) up there	With a brilliant light	
Right next to me	'Cause it's time for you to shine	
All this gravity will try to pull you down	Brighter (9) a (10)	star
But not (3) time	So (11) no (12)	where you are
When the sun (4) down	Tonight	
And the lights burn out	(Wooh, wooh, wooh)	
Then it's time for you to shine	Brighter than a shooting star	
Brighter than a (5) star	Shine no matter (13) you are	
So shine no matter where you are	Tonight	
Fill the darkest night	A thousand heartbeats (14)	_ time
With a brilliant light	And makes this dark planet come alive	
'Cause it's time for you to shine	So (15) the lights (16)	out
Brighter than a shooting star	tonight	
So shine no matter where you are	You (17) shine	
Tonight	When the sun goes down	
(Wooh, wooh)	And the lights burn out	
Brighter than a shooting star	Then it's (18) for you to shine	
Shine no matter where you are	Brighter than a shooting star	
Tonight	So (19) no matter (20)	you are
Gazing through my eyes	Fill the darkest night	
When the fire starts	With a brilliant light	
And fan the flame so hot	'Cause it's time for you to shine	
It melt our hearts	Brighter (21) a shooting star	
All the pouring rain	So shine no matter where you are	
Will try to put it out	Tonight	
But not (6) time	(Wooh, wooh, wooh)	
Let your colours burn	Brighter (22) a shooting star	
And brightly burst	Shine no (23) (24)	you are
Into a million sparks	Tonight	
But all dispersed and illuminate a world		
That'll try to (7) you down
