Shooting Star by Owl City

But all dispersed and illuminate a world

That'll try to bring you down

Fill in the gaps

Close your tired eyes		But not this time	
Relaxing them		When the sun goes down	
Count from 1 to 10 and open them		And the lights burn out	
All these heavy (1)	will try to weigh you	Then it's (4)	_ for you to shine
down		Brighter than a (5)	star
But not this time		So shine no matter where you are	
Way up in the air		Fill the darkest night	
You're finally free		With a brilliant light	
And you can stay up there		'Cause it's time for you to shine	
Right next to me		Brighter (6)	a shooting star
All this gravity will try to (2) you	ı down	So (7) n	o matter where you are
But not this time		Tonight	
When the sun goes down		(Wooh, wooh, wooh)	
And the lights burn out		Brighter than a shooting star	
Then it's time for you to shine		Shine no matter (8) you are	
Brighter than a shooting star		Tonight	
So shine no matter where you are		A thousand heartbeats beating time	
Fill the darkest night		And makes this dark planet come alive	
With a brilliant light		So when the lights flicker out tonight	
'Cause it's time for you to shine		You gotta shine	
Brighter than a shooting star		When the sun goes down	
So shine no matter where you are		And the lights burn out	
Tonight		Then it's time for you to shine	
(Wooh, wooh, wooh)		Brighter than a shooting	ng star
Brighter (3) a shooting star		So shine no matter wh	nere you are
Shine no matter where you are		Fill the darkest night	
Tonight		With a brilliant light	
Gazing through my eyes		'Cause it's time for you	u to shine
When the fire starts		Brighter than a shooting	ng star
And fan the flame so hot		So shine no matter (9	9) you are
It melt our hearts		Tonight	
All the pouring rain		(Wooh, wooh, wooh)	
Will try to put it out		Brighter than a shooting	ng star
But not this time		Shine no (10)	where you are
Let your colours burn		Tonight	
And brightly burst			
Into a million sparks
