

## Fill in the gaps

If I never feel you in my arms again	That I shall never breathe again (breathe again)
If I (1) feel your tender kiss again	And I can't stop thinking about
If I never hear I love you now and then	About the way my life would be
Will I never make love to you once again	No, I can't stop thinking about
Please understand, if love ends	How (10) you love me then leave
Then I (2) you, I promise you that	And I can't get you out of my mind
That I shall never breathe again	God knows how hard I've tried
(Breathe again, breathe again)	And if you walk right out my life
That I shall never breathe (3) (breathe again)	God knows I'd (11) die
And I can't stop thinking about	And I can't (12) doing (13) (no,
About the way things used to be	no)
And I can't stop thinking about	Without the (14) of my heart
About the love that you made to me	No, I can't (15) doing without (no, no)
And I can't get you out of my head	For I would surely fall apart
How in the world will I begin	And I can't get you out of my mind
To let you walk right out my life and blow my heart away	And I (16) I can't (17) it
And I can't stop caring about	And I would die if you (18) you won't see me
About the apple of my eye	again
And I can't stop (4) without	If I never (19) you in my arms again (if I never,
Without the center of my life	ever)
And I can't get you out of my head	If I (20) feel your (21) kiss again
And I know I can't pretend	(no, no,no)
That I won't die if you decide you won't see me again	If I never hear I love you now and then (now and then)
If I (5) feel you in my arms again (again)	Will I never make love to you once (22) (never
If I (6) feel your tender kiss again (again)	make love)
If I never hear I (7) you now and then (and then)	Please understand, if love ends
Will I never make love to you once again	Then I promise you, I promise you that
Please understand, if love ends	That I shall never (23) again
Then I promise you, I promise you that	(breathe again, breathe again)
That I (8) never (9) again	That I shall never breathe again (breathe again)
(Breathe again, breathe again)	That I shall never breathe again
	(breathe again, breathe again)
	That I shall never breathe
