I Don't Feel Like Dancin' by Scissor Sisters

Wake up in the morning	When I see you clap your hands
With a head like what you've done	If you stick around I'm sure that you'll be fine
This used to be the life	But I don't feel like dancing when the old Joanna plays
But I don't need another one	My heart could take a chance
Good luck cutting nothing	But my two feet can't find a way
Carrying on, you wear them gowns	You (3) that I could muster up
So how come I feel so lonely when you're up getting down	A little soft, shoop devil sway
So I play along when I hear that favourite song	But I don't feel like dancing, no sir, no dancing today
I'm gonna be the one who gets it right	Don't feel like dancing, dancing
You better know	Even if I find nothing better to do
When you're swinging around the room	Don't feel like dancing, dancing
Looks like magic's solely yours tonight	Why'd you break down when I'm not in the mood
But I don't feel like dancing when the old Joanna plays	Don't feel (4) dancing, dancing
My heart could (1) a chance	Rather be home with no one when I can't get down with you
But my two feet can't find a way	You can't make me dance (5) but
You think that I could muster up	Your two step makes my chest pound
A little soft, shoop devil sway	Just lay me down
But I don't feel like dancing, no sir, no dancing today	As you blow it away into the shimmer light
Don't feel like dancing, dancing	But I don't feel like dancing when the old Joanna plays
Even if I find nothing better to do	My heart could (6) a chance
Don't feel like dancing, dancing	But my two feet can't find a way
Why'd you break down when I'm not in the mood	You think that I could muster up
Don't feel (2) dancing, dancing	A little soft, (7) devil sway
Rather be home with no one when I can't get down with you	But I don't feel like dancing, no sir, no (8)
Cities come and cities go just like the old empires	today
When all you do is change your clothes	Don't feel like dancing, dancing
And call that versatile	Even if I find nothing better to do
You got so many colours make a blind man so confused	Don't feel like dancing, dancing
Then why can't I keep up	Why'd you break down when I'm not in the mood
When you're the only thing I lose	Don't feel like dancing, dancing
So I'll just pretend that I know which way to bend	Rather be home (9) no one when I can't get down
And I'm gonna tell the whole world that you're mine	with you
