

## Fill in the gaps

Everything is wonderful	Leave a light on in Heaven
Being (1) is heavenly	Save me, (15) me
Every (2) day she sins	Be the light in my eyes
Everything is free	And if I say ten (16) Mary's
I (3) to be so careless	Leave a light on in Heaven for me
As if I couldn't care less	If you want the (17) to fall
Did I have to make this place	You have to give the tree a shake
When I was Mary's prayer	But if you (18) the tree too hard
Suddenly the (4) rolled	The bough is gonna break
Suddenly the rain (5) down	And if I can't reach the top of the tree
Suddenly was washed away	Mary you can hold me up there
The Mary that I knew	What I wouldn't give to be
So (6) you (7) somebody you keep	When I was Mary's prayer
Think of me and celebrate	So if I say (19) me, (20) me
I made such a big mistake	Be the (21) in my eyes
When I was Mary's prayer	And if I say ten (22) Mary's
So if I say save me, save me	Leave a light on in Heaven
Be the (8) in my eyes	Save me, save me
And if I say ten Hail Mary's	Be the light in my eyes
Leave a (9) on in (10) for me	And if I say ten Hail Mary's
Blessed is the one who shares	Leave a light on in Heaven
The power and your beauty, Mary	Save me, save me
Blessed is the millionaire	Be the light in my eyes
Who shares your (11) day	What I wouldn't give to be
So (12) you find somebody to give	When I was Mary's prayer
Think of me and celebrate	What I wouldn't give to be
I made (13) a big mistake	When I was Mary's prayer
When I was Mary's prayer	What I wouldn't give to be (save me)
So if I say (14) me, save me	When I was Mary's prayer
Be the light in my eyes	
And if I say ten Hail Mary's
