

See reflections on the water

Fill in the gaps

More than darkness in the depths
See him surface in (1) shadow
On the wind I feel his breath
Goldeneye I found his weakness
Goldeneye he'll do what I please
Goldeneye no (2) for sweetness
But a bitter kiss
Will (3) him to his knees
You'll never know
How I watched you from the shadows as a child
You'll never know
How it feels to be the one who's left behind
You'll never (4) the days, the nights
The tears, the tears I've cried
But now my time has come
And time, time is not on your side
See him (5) through smoke and mirrors
Feel his presence in the crowd
Other girls they gather around him
If I had him I wouldn't

Let him out
Goldeneye not lace or leather
Golden chain take him to the spot
Goldeneye I'll show him forever
It'll (6) forever to see what I've got
You'll never know
How I watched you from the shadows as a child
You'll (7) know
How it feels to get so close and be denied
It's a gold and honey trap
I've got for you tonight
Revenge is to kiss
This (8) I won't miss
Now I've got you in my sight
With a Goldeneye
Golden, Goldeneye
With a Goldeneye
