

I want you to be my baby

Fill in the gaps

Sign Your Name (Cover) by Sheryl Crow

Fortunately you		Sign your name (7) my heart (across	my
Have someone who relies on you		heart)	
We started out as friends		I want you to be my baby	
But the (1)	of you just caves me in	Birds never looked into the sun before the day is gone	
The symptoms are so deep		(Oh) the light shines bright on a peaceful day	
It's much too late to turn away		A stranger blue	
We started out as friends		Leaves us alone, we don't want to deal with you	
Sign (2) name across my heart (across my heart)		We'll shed our stains	
I want you to be my baby		Showering in the room that makes the rain	
Sign your name across my heart (across my heart)		All alone with you	
I (3) you to be my baby		Makes the (8) in me arise	
Time, I'm sure, will bring		Slowly we make love	
Disappointments in so many things (so many things)		Sign your name across my heart (across my heart)	
It seems to be the way		I (9) you to be my baby	
When your (4)	(5) on love	Sign your name across my heart (across my heart)	
you play		I want you to be my baby	
I'd rather be in hell		Sign your name across my heart (sign your name)	
With you, baby, than in cool Heaven			
It (6) to be the way			
Sign your name across my heart (across my heart)
