

That leads to your ocean

Fill in the gaps

It's over and done	You'll (12) see me fall apart
But the heartache (1) on inside	In the (13) of a broken heart it's just emotions
And who is the one you're (2) to	Taking me over (taking me over)
Instead of me tonight	Caught up in sorrow, lost in the song
And where are you now	But if you don't come back
Now (3) I need you	Come (14) to me darling
Tears on my pillow	Don't you know there's nobody left in this world
Wherever you go, go	To (15) me (16) (nobody left in this
I'll cry me a river	world)
That leads to (4) ocean	Nobody (17) in this world
You'll never see me fall apart	To kiss good night (nobody left in this world)
In the words of a broken heart it's just emotions	Good night
Taking me over	And (18) are you now
Caught up in sorrow, (5) in the song	Now that I need you, you
But if you don't come back	Tears on my pillow
Come home to me darling	Wherever you, you go
Don't you know there's nobody (6) in (7)	I'll cry me a river
world	That leads to your ocean
To (8) me tight	You'll (19) see me fall apart
Don't you know there's nobody left in this world	In the words of a broken heart It's just emotions
To (9) goodnight (kiss good night)	Taking me over
Good night	I'm caught up in sorrow, lost in the song
Good night	But if you don't (20) back
I'm there at your side	Come (21) to me darling
A part of all the (10) you are	Nobody left in this (22) to hold me tight
But you have a part of (11) else	(Nobody to hold me)
You gotta go find your shining star	Nobody left in this world to kiss (23) night
And where are you now	(Nobody to kiss me)
Now that I need you	Good night
Tears on my pillow	Good night
Wherever you go	
I'll crv me a river
