

That leads to your ocean

Fill in the gaps

It's over and done	You'll never see me fall apart
But the heartache lives on inside	In the words of a broken heart it's just emotions
And who is the one you're clinging to	Taking me over (taking me over)
Instead of me tonight	Caught up in sorrow, lost in the song
And where are you now	But if you don't (4) back
Now that I need you	Come home to me darling
Tears on my pillow	Don't you know there's nobody left in this world
Wherever you go, go	To (5) me tight (nobody left in this world)
I'll cry me a river	Nobody left in this world
That leads to your ocean	To kiss good night (nobody (6) in (7)
You'll never see me fall apart	world)
In the words of a broken (1) it's just emotions	Good night
Taking me over	And where are you now
Caught up in sorrow, lost in the song	Now that I need you, you
But if you don't come back	Tears on my pillow
Come home to me darling	Wherever you, you go
Don't you know there's nobody left in this world	I'll cry me a river
To hold me tight	That leads to your ocean
Don't you know there's nobody left in this world	You'll (8) see me fall apart
To kiss (2) (kiss good night)	In the words of a broken heart It's just emotions
Good night	Taking me over
Good night	I'm caught up in sorrow, lost in the song
I'm there at your side	But if you don't come back
A part of all the things you are	Come home to me darling
But you have a part of someone else	Nobody left in this world to (9) me tight
You gotta go find your shining star	(Nobody to hold me)
And where are you now	Nobody left in this world to kiss good night
Now (3) I need you	(Nobody to (10) me)
Tears on my pillow	Good night
Wherever you go	Good night
I'll cry me a river
