

## Fill in the gaps

| Reborn and shivering                       |
|--------------------------------------------|
| Spat out on new terrain                    |
| Unsure, unconvincing                       |
| This faint and shaky hour                  |
| Day one, day one start over again          |
| Step one, (1) one, I'm barely making sense |
| For now I'm (2) it                         |
| Till I'm pseudo making it                  |
| From scratch, begin again but              |
| This time I as I                           |
| And not as we                              |
| Gun shy and quivering                      |
| Timid without a hand                       |
| Feign brave with steel intent              |
| Little and hardly here                     |
| Day one, day one start over again          |
| Step one, step one with                    |
| Not (3) (4) sense                          |
| Just yet I'm faking it                     |

| Till I'm pseudo (5) it                      |
|---------------------------------------------|
| From scratch, begin again                   |
| But (6)                                     |
| And not as we                               |
| Eyes wet                                    |
| Toward                                      |
| Wide open frayed                            |
| If God is taking bets                       |
| I pray He wants to lose                     |
| Day one, day one start over again           |
| Step one, step one, I'm barely making sense |
| Just yet I'm faking it                      |
| Till I'm pseudo (8) it                      |
| From scratch, begin again                   |
| But this time I as I                        |
| And not as we                               |
