Fill in the gaps

Figure 8 by Ellie Goulding

Breathe your smoke into my lungs
In the back of the car with you I stare into the sun
Still not too old to die young
The lovers hold on to everything
And others (1)_____ on to anything
I chased your love around a figure eight
I (2)_____ you (3)_____ than I can take
You promised forever and a day
And then you take it all away
(Way, way, way)
And then you take it all away
(Way, way, way, way)
Place a kiss on my cheekbone
Then you (4)_____ me, I'm buried in the snow
But something tells me I'm not alone
But lovers hold on to everything
And others hold on to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away
(Way, way, way)
And (5)_____ you (6)_____ it all away
(Way, way, way, way, way)
So (7)_____ hold on to everything
And (8)_____ hold to anything
So lovers hold on to everything
And (9)_____ hold to anything
I chased your love around a figure eight
I need you more (10)_____ I can take
You promised forever and a day
And then you take it all away
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away
(Way, way, way, way, way...)
And then you take it all away
(Way way, way, way)
