## That Don't Impress Me Much by Shania Twain

I've known a few (1) who thought they were pretty	That don't impress me much
smart	You're one of those (7) who likes to shine his
But you've got being right down to an art	machine
You think you're a genius, you drive me up the wall	You make me take off my (8) before you let me
You're a regular original, a know-it-all	get in
You think you're special	I can't believe you kiss your car good night
You think you're (2) else	Now come on baby tell me
Okay, so you're a rocket scientist	You must be joking, right
That don't impress me much	You think you're something special
So you got the (3) but (4) you got the	You think you're something else
touch	Okay, so you've got a car
Don't get me wrong, yeah, I think you're alright	That don't impress me much
But that won't keep me warm in the middle of the night	So you got the moves but have you got the touch
That don't impress me much	Now, don't get me wrong, yeah, I think you're alright
I never knew a guy who carried a mirror in his pocket	But that won't keep me warm in the middle of the night
And a (5) up his sleeve, just in case	That don't impress me much
And all that extra hold gel in your hair ought to lock it	You (9) you're cool but have you got the touch
'Cause Heaven forbid, it should fall out of place	Don't get me wrong, yeah, I think you're alright
You think you're special	But that won't keep me warm on the long, cold, lonely night
You (6) you're something else	That don't impress me much
Okay, so you're Brad Pitt	Ok, so what do you think you're (10) or
That don't impress me much	something
So you got the looks but have you got the touch	Whatever
Now don't get me wrong, yeah I think you're alright	That don't impress me
But that won't keep me warm in the middle of the night
