That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't impress me much
But you've got being right down to an art	You're one of those guys who likes to shine his machine
You think you're a genius, you drive me up the wall	You make me take off my shoes (5) you let
You're a regular original, a know-it-all	me get in
You think you're special	I can't believe you kiss (6) car good night
You think you're something else	Now (7) on baby tell me
Okay, so you're a rocket scientist	You must be joking, right
That don't (1) me much	You think you're something special
So you got the brain but have you got the touch	You (8) you're something else
Don't get me wrong, yeah, I think you're alright	Okay, so you've got a car
But that won't keep me warm in the middle of the night	That don't impress me much
That don't impress me much	So you got the moves but have you got the touch
I never knew a guy who carried a (2) in his	Now, don't get me wrong, yeah, I think you're alright
pocket	But that won't keep me (9) in the middle of the
And a comb up his sleeve, just in case	night
And all that extra hold gel in your hair ought to (3)	That don't (10) me much
it	You think you're cool but have you got the touch
'Cause Heaven forbid, it should fall out of place	Don't get me wrong, yeah, I think you're alright
You think you're special	But that won't keep me warm on the long, cold, lonely night
You think you're something else	That don't impress me much
Okay, so you're Brad Pitt	Ok, so what do you think you're Elvis or something
That don't impress me much	Whatever
So you got the looks but have you got the touch	That don't impress me
Now don't get me wrong, yeah I (4) you're alright
