

## Fill in the gaps

The sun goes down
The stars come out
And all that counts
Is here and now
My universe (1) never be the same
I'm glad you came
You cast a spell on me, spell on me
You hit me like the sky (2) on me, fell on me
And I decided you look well on me, (3) on me
So let's go somewhere no-one else can see
You and me
Turn the lights out now
Now I'll take you by the hand
Hand you another drink
Drink it if you can
Can you spend a little time
Time is slipping away, away (4) us so stay
Stay with me I can make
Make you glad you came
The sun (5) down
The stars come out
And all (6) counts
Is (7) and now
My universe will never be the same
I'm (8) you came
I'm glad you came
You (9) a spell on me, (10) on me
You hit me like the sky fell on me, fell on me
And I decided you look well on me, well on me
So let's go somewhere no-one else can see

Turn the lights out now

Now I'll take you by the hand

Hand you another drink

Drink it if you can

You and me

Can you spend a little time

Time is slipping away, away from us so stay

Stay with me I can make Make you glad you came

The sun goes down
The stars come out
And all that counts

Is here and now

My universe will never be the same

I'm glad you came
I'm glad you came
I'm glad you came
So glad you came
I'm glad you came
I'm glad you came
I'm glad you came
The sun goes down

The stars come out And all that counts Is here and now

My universe will never be the same

I'm glad you came I'm glad you came
