## Islands (Live) by Mike Oldfield & Bonnie Tyler

Islands	I was lost in the forest
From the (1) time we saw	And you showed me the way
We could wait for this moment	When the night's on fire
Like (2) on the shore	(Oh) Will you keep the candlelight burning
We can never	Hold on to your heart's desire
Be closer somehow	When you see one bird
For the moment that lasts	Into the wind another one's turning
Is this moment now	And the two can fly much higher (higher)
When the night's on fire	We are islands but never too far
(Oh) (3) you keep the	We are islands
(4) burning	And I need your light tonight
Hold on to your heart's desire	And I need your light tonight
When you see one bird	We are islands but never too far
Into the (5) another one's turning	We are islands
And the two can fly much higher (higher)	And I need your light tonight
We are islands but never too far	And I need your light tonight
We are islands	We are islands but never too far
And I need your light tonight	We are islands
And I (6) your light tonight	And I need your light tonight
We are islands but never too far	And I need your light tonight
We are islands	We are islands but never too far
And I need your light tonight	We are islands
And I need your light tonight	And I need your light tonight
Islands	And I (9) your light tonight
Never been to before	We are (10) but never too far
And we (7) so high	We are islands
