

Fill in the gaps

There used to be a greying tower alone on the sea		A light hits the gloom on the grey	
You (1)	the light on the dark side of me	I've been kissed by a rose on the grey	
Love remained a drug that's the high and not the pill		I've been kissed by a rose on the grey	
But did you know that when it snows		I've been kissed by a rose on the grey	
My eyes become large and		I've been kissed by a rose on the grey	
The light that you shine can be seen		There is so much a man can tell you, so (9)	he can
Baby, I compare you to a kiss from a rose on the grey		say	
The more I get of you the stranger it feels, yeah		You remain my power, my pleasure, my pain	
Now that (2)	rose is in bloom	To me you're like a growing addiction that I can't deny	
A light hits the (3)	on the grey	Now won't you tell me is it healthy, baby	
There is so much a man can tell you, so much he can say		But did you know that when it snows	
You remain my power, my pleasure, my pain, baby		My eyes become large	
To me you're like a growing addiction that I can't deny		And the light that you shine can be seen	
Won't you (4)	_ me is it healthy, babe	Baby, I compare you to a kiss from a rose on the grey	
But did you (5)	(6) when it snows	The more I get of you the (10)	it feels,
My (7) becc	ome large and	yeah	
The light that you shine can be seen		Now that your rose is is in bloom	
Baby, I compare you to a kiss from a rose on the grey		A light hits the gloom on the grey	
The more I get of you the stranger it feels, yeah		Yes, I compare you to a kiss from a rose (on the grey)	
Now that (8)	rose is in bloom
