

## It's In The Rain by Enya

### Fill in the gaps

Every time

Hear it in the rain

The rain (1)\_\_\_\_\_ down

(The rain)

Close my (2)\_\_\_\_\_ and listen

Late at night I drift away

I can hear the lonesome sound

I can (7)\_\_\_\_\_ you calling

Of the sky as it cries

And my name is in the rain

Listen to the rain

Leaves on trees whispering

Here it (3)\_\_\_\_\_ again

Deep blue sea's mysteries

Hear it in the rain

Even (8)\_\_\_\_\_ this moment ends

Feel the touch of (4)\_\_\_\_\_ that fall

Can't let go this feeling

They won't (5)\_\_\_\_\_ forever

Everything will come again

In the way the day will flow

In the sound, falling down

All things come, all (6)\_\_\_\_\_ go

Of the sky as it cries

Listen to the rain

Hear my name in the rain

(The rain)

Here it comes again

(Again)
