5 Years Time by Noah and the Whale

Vell in five years time we could be walking round the zoo	And it'll be love, love, love, all over her face
Nith the sun shining down over me and you	And love, love, love, all (8) mine
And there'll be love in the (1) of the elephant's	And though merely all these moments
00	Are just in my head
Il put my hands over your eyes, but you peek through	I'll be thinking about them as I'm lying in bed
And there'll be sun, sun, sun	And I know that it merely, they might not even come true
All (2) our bodies, and sun, sun	But in my mind I'm having a pretty good time with you
All down our necks there'll be sun, sun, sun	Oh in five (9) time
All over our faces and sun, sun, sun	I might not know you
So, (3) the heck	In five years time
cause I'll be laughing at your silly little jokes	We might not speak
And we'll be laughing about how we used to smoke	In five years time
All those stupid (4)	We might not get along
5) and drink stupid wine	In five years time
Cause it's what we needed to have a good time	You might just prove me wrong
But it was fun, fun, fun	Oh there'll be love, love, love
When we were drinking, it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were drunk and it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Dh, it was fun	Wherever you go there'll be love, love, love
Dh, well I'll look at you and say	Wherever you go there'll be love, love, love
t's the (6) that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty happy too	Wherever you go there'll be love
And I'm always pretty happy	
When I'm (7) kicking back with you	
And it'll be love, love, love, all through our bodies
