### Fill in the gaps

#### 5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo	And it'll be love, love, love, all over her face
With the sun shining down over me and you	And love, love, all over mine
And there'll be love in the bodies of the elephant's too	And though merely all these moments
I'll put my hands over your eyes, but you peek through	Are just in my head
And there'll be sun, sun, sun	I'll be thinking about them as I'm lying in bed
All over our bodies, and sun, sun, sun	And I know that it merely, (5) might not even come
All down our necks there'll be sun, sun, sun	true
All over our faces and sun, sun, sun	But in my (6) I'm having a pretty good time with
So, what the heck	you
'cause I'll be (1) at your silly little jokes	Oh in (7) years time
And we'll be laughing (2) how we used to smoke	I might not know you
All those stupid little cigarretes and drink stupid wine	In (8) years time
'Cause it's what we needed to have a good time	We might not speak
But it was fun, fun, fun	In five years time
When we were drinking, it was fun, fun, fun	We might not get along
When we were drunk and it was fun, fun, fun	In five years time
When we were laughing, it was fun, fun, fun	You might (9) prove me wrong
Oh, it was fun	Oh there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the (3) that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all (4) happy	Wherever you go there'll be love, love, love
too	Wherever you go there'll be love, love, love
And I'm always pretty happy	Wherever you go there'll be love, love, love
When I'm just kicking back with you	Wherever you go there'll be love, love, love
And it'll be love, love, love, all through our bodies	Wherever you go there'll be love
And love, love, love, all through our minds	

## 1. laughing

- 2. about
- 3. happiest
- 4. pretty
- 5. they
- 6. mind
- 7. five
- 8. five
- 9. just
