

Fill in the gaps

	Hope we get lucky and stay out of jail
When the lights go down	So come on, come on
When you're (1) (2) in this town	Baby, I'm buying
With nowhere to go	I got enough to last us all night and
So you escape through the radio	You got the (21) that tastes like honey
And you (3) all week	And I got a little beer money
To barely make ends meet	Tonight, tonight
Well, I gotta a (4) cash burning holes in my	Baby, we're drinkin'
pocket	Let's wake the (22) that never stops sleeping
Foot on the gas, taking off like a rocket	You got the kiss that (23) like honey
So (5) on, (6) on	And I got a little beer money
Baby, I'm buying	So come on, come on
I got enough to last us all (7) and	Baby, I'm buying
You got the kiss (8) tastes (9) honey	I got enough to (24) us all night and
And I got a little beer money	You got the kiss that tastes like honey
Tonight, Tonight	And I got a (25) bit of beer money
Baby, we're drinkin'	Tonight, tonight
Let's wake the town that (10) stops sleeping	Baby, we're drinkin'
You got the (11) that tastes (12) honey	Let's wake the town that never stops sleeping
And I got a (13) (14) money	You got the kiss (26) tastes like honey
We can dance in the dark	And I got a little beer money
Blow the (15) out of this car	So come on, (27) on
Light it up, burn it down	Yeah, come on, come on
Until the (16) (17) around	
In a field, (18) we can scream	
Get (19) with almost anything	
Yeah, (20) now and then you gotta raise a little	
hell
