## There Goes My Life by Kenny Chesney

All he could think (1) was	Blue eyes and bouncin curis
'm too young for this	And he smiles
Sot my whole life ahead	There goes my life
Hell I'm just a kid myself	There goes my future
low 'm I gonna raise one	My everything
All he could see were his dreams	I (5) you, daddy good night
Goin' up in smoke	There goes my life
So much for ditchin' (2) town	She has that Honda loaded down
And hangin' out on the coast	With (6) clothes
Dh well	And fifteen pairs of shoes
Those plans are long gone	And his (7) Express
And he said	He (8) the oil slammed the hood
There goes my life	And said you're good to go
There goes my future	She hugged 'em both
My everything	And (9) off to the West Coast
Might as well kiss it all goodbye	And he cried
There (3) my life	There goes my life
A couple years of up all night and a	There goes my future
Few thousand diapers later	My everything
That mistake he thought he made	I love you
Covers up the refrigerator	Baby good bye
Dh yeah	There goes my life
He loves that little girl	There goes my life
Mamma's waitin' to tuck her in	Baby, good bye
As she fumbles up those stairs	Baby, good bye
She (4) back at him	There (10) my life
Draggin' that teddy bear
